

Nation Wide 2-Way Radio Coverage

www.industrialcomm.net/wide-area

Does your PTT Solution have:

- Lightning Fast
- Cellular like
- Nationwide Push to Talk Coverage!

Our Talkpod Nationwide Push to Talk Solutions offers you much more than traditional Two Way Radio Systems because we are not locked to small geographical areas of traditional two way radio antenna sites.

Our interoperability solution can enables the connection between traditional LMR RF 2-Way Radio Systems and our Talkpod America Nationwide Cellular Push to Talk Network.
